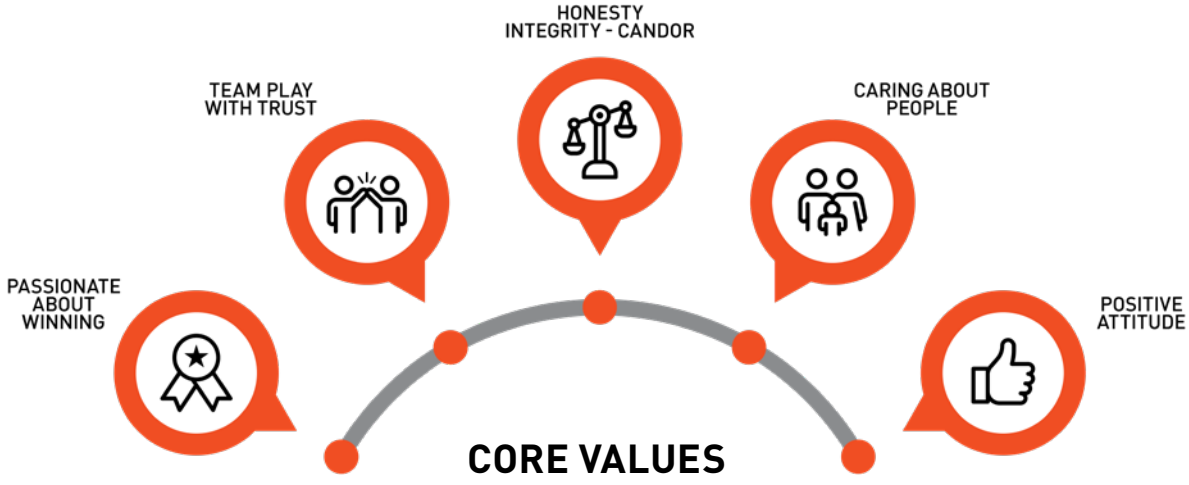
LIPPERT

Lippert is a leading, global manufacturer and supplier of highly engineered products and customized solutions dedicated to shaping, growing and bettering the RV, marine, automotive, commercial vehicle and building products industries. We combine our strategic manufacturing capabilities with the power of our winning team culture to deliver unrivaled customer service, award-winning innovation and premium products to every industry and person we serve.

LIPPERT CARES | BUSINESS AS A FORCE FOR GOOD

OUR VISION: TO BE A FORCE FOR GOOD IN THE WORLD

Since 2016, Lippert has focused on designing a cultural foundation from which our success is based, and it stems from one simple driving force: At Lippert, Everyone Matters. From the shop floor to the C-suite, we simply care about people. Our culture is grounded in our five core values that we practice in our business every day.



OVER SIX YEARS OF IMPACT

IMPOSSIBLY STRONG

RIGIDCORE™ TECHNOLOGY
HIGH-STRENGTH, FOAM-FILLED LID

RigidCore™ is a patented technology built into the lid of UWS tool boxes. The lid is filled with a hardening, expanding foam material, sandwiched between two aluminum plates. As it hardens, the foam and plates create a solid structure. Hidden from view, RigidCore™ technology greatly enhances the lid strength, far beyond that of a traditional tool box.

ADVANTAGES OF RIGIDCORE™

The foam-filled lid greatly enhances strength and overall structural integrity while preventing warping.

The rigidity of the lid makes it highly resistant to binding and ensures smooth opening and closing and long life span.

Undetectable from the outside, the foam-filled lid is strong and capable of holding weight without bending

Product Details

See page 24 for application information

- Patented RigidCore™ foam-filled lid to maximize strength and prevent binding
- 0.058" extra-thick, one-piece aluminum tub holds heavy tools and cargo
- Stainless steel lock handles for security and corrosion-resistant operation
- Connecting rod allows for convenient operation from driver or passenger side
- Widespread handles are easy to reach from either side of the truck
- Interior rod enclosure helps prevent bending or jamming of lock system
- Lid self-opens for convenient operation and loading (Secure Lock is self-closing)
- Built-in screwdriver holders for easy organization (select models)
- Multiple box sizes available for a custom fit on each truck application
- Easy to install with pre-drilled mounting slots and included hardware
- Multiple styles available, see the product index on page 9 for details

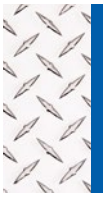
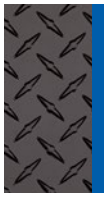
TBS-60-BLK

Finishes & Materials



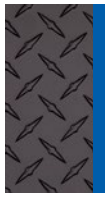
Finish: Bright aluminum

Material: 0.058" aluminum



Finish: Gloss black

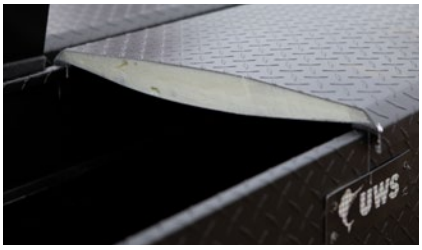
Material: 0.058" aluminum



Finish: Matte black

Material: 0.058" aluminum

Impossibly strong, incredibly dependable



Patented RigidCore foam-filled lid to maximize strength and prevent binding

MicroSeal gasket helps seal out moisture, dust and dirt

Sliding tray and built-in tool trays for convenient small item storage and retrieval

CROSSOVER BOX CONFIGURATION OPTIONS

Most boxes are available with a combination of the options listed below.

Profile Options

Standard

Top portion of the tool box overhangs the bed rails to maximize space
(pgs 14, 16, 18, 20)

Low

Built lower on the bed rail for a better view out the rear window
(pgs 10, 12, 16, 20)

Handle Options

Secure Lock

Easy-to-operate, dual-locking twist handles for strength and security
(pg 10)

Pull

Stainless steel handles provide more clearance for easier opening
(pg 12)

Paddle

Standard handle type on most of our tool boxes; opens by pulling outward
(pgs 14, 16, 18, 20)

Lid Options

Single

Standard lid type for most of our tool boxes; opened facing the truck bed
(pgs 10, 12, 16, 18, 20)

Gull Wing

Features two single lids for convenient half-box access
(pg 14)

Lid Rail

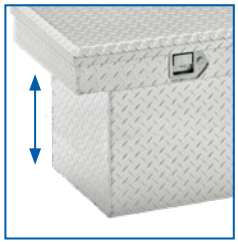
7/8" lid rail provides a reliable anchor for tying down cargo on top
(pgs 10, 20)

Tub Options

Standard

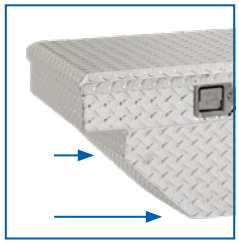
Tub type for most of our tool boxes, featuring a rectangular shape
(pgs 10, 12, 14, 16, 18, 20)

Deep



Built extra-tall for max space; available with other tub options
(pgs 10, 14, 16, 18, 20)

Angled



Accommodates unique bed sizes and wheel well shapes
(pgs 10, 20)

Slim-Line

Designed for mid-sized trucks with limited space in front of the wheel wells
(pg 16)

Extra-Wide

Extra box width provides maximum storage area for tools and equipment
(pg 18)

SECURE LOCK CROSSOVER BOXES

ASSEMBLED IN USA

Key Features

- Easy-to-operate, dual-locking twist handles offer strength and maximum security
- Removable BedRug™ liner protects tools, reduces noise and allows for easy cleaning

* Built-in screwdriver holder not included

Available ordering options
(listed above part numbers)

All part #s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part #.

A - Matte Black (add **-MB**)
B - Aluminum with Rail (add **-R**)
C - Matte Black with Rail (add **-MB-R**)
D - Gloss Black (add **-BLK**)
E - Gloss Black with Rail (add **-BLK-R**)

Footnotes

1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.

2 If your model is equipped with a RamBox, a crossover tool box will not fit.

3 If your model is equipped with a factory track-system, standard box-mounting may not apply.

4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

For the most up-to-date application information please visit uwsta.com

* For Gloss Black, add **-B** instead of **-BLK**

† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Footnotes	For the most up-to-date application information please visit uwsta.com
1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.	**3** If your model is equipped with a factory track-system, standard box-mounting may not apply.
2 If your model is equipped with a RamBox, a crossover tool box will not fit.	**4** If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

* For Gloss Black, add **-B** instead of **-BLK**

† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Available ordering options
(listed above part numbers)

All part #s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part #.

A - Matte Black (add **-MB**)
B - Aluminum with Rail (add **-R**)
C - Matte Black with Rail (add **-MB-R**)
D - Gloss Black (add **-BLK**)
E - Gloss Black with Rail (add **-BLK-R**)

Footnotes

1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.

2 If your model is equipped with a RamBox, a crossover tool box will not fit.

3 If your model is equipped with a factory track-system, standard box-mounting may not apply.

4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

Available ordering options
(listed above part numbers)

All part #s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part #.

A - Matte Black (add **-MB**)
B - Aluminum with Rail (add **-R**)
C - Matte Black with Rail (add **-MB-R**)
D - Gloss Black (add **-BLK**)
E - Gloss Black with Rail (add **-BLK-R**)

Footnotes	For the most up-to-date application information please visit uwsta.com	
1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.	**3** If your model is equipped with a factory track-system, standard box-mounting may not apply.	* For Gloss Black, add **-B** instead of **-BLK**
2 If your model is equipped with a RamBox, a crossover tool box will not fit.	**4** If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.	† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Available ordering options
(listed above part numbers)

All part #s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part #.

A - Matte Black (add **-MB**)
B - Aluminum with Rail (add **-R**)
C - Matte Black with Rail (add **-MB-R**)
D - Gloss Black (add **-BLK**)
E - Gloss Black with Rail (add **-BLK-R**)

Footnotes

1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.

2 If your model is equipped with a RamBox, a crossover tool box will not fit.

For the most up-to-date application information please visit uwsta.com

3 If your model is equipped with a factory track-system, standard box-mounting may not apply.

4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

***** For Gloss Black, add **-B** instead of **-BLK**

† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Footnotes

1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.

2 If your model is equipped with a RamBox, a crossover tool box will not fit.

For the most up-to-date application information please visit uwsta.com

3 If your model is equipped with a factory track-system, standard box-mounting may not apply.

4 If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.

* For Gloss Black, add **-B** instead of **-BLK**

† For Matte Black with rail, use part# SLD69-A-LP-MB-R

Footnotes		
1 If your model is equipped with a factory, hard-plastic tonneau system covering the bed rail, a crossover tool box will not fit.	**3** If your model is equipped with a factory track-system, standard box-mounting may not apply.	* For Gloss Black, add **-B** instead of **-BLK**
2 If your model is equipped with a RamBox, a crossover tool box will not fit.	**4** If your model is equipped with a factory bed-rail system, standard box-mounting may not apply.	† For Matte Black with rail, use part# SLD69-A-LP-MB-R

For the most up-to-date application information please visit uwsta.com

Available ordering options
(listed above part numbers)

All part #s listed are Bright Aluminum. Use key below to identify alternative finishes or to add a rail. Then add desired suffix shown to end of part #.

A - Matte Black (add **-MB**)
B - Aluminum with Rail (add **-R**)
C - Matte Black with Rail (add **-MB-R**)
D - Gloss Black (add **-BLK**)
E - Gloss Black with Rail (add **-BLK-R**)

UTILITY CHEST BOXES

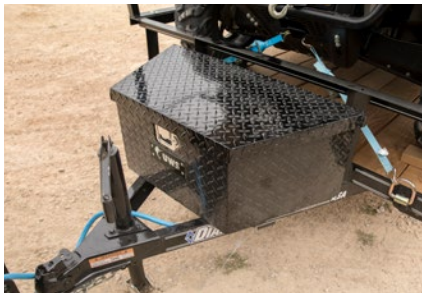
FEATURED PRODUCTS

Under tonneau boxes

These utility chests are built with a 16-1/2" height and an offset lid to be compatible with most truck bed tonneau covers.

5th wheel boxes

These boxes accommodate a 5th wheel hitch mounted in the truck bed, providing optimal clearance with a 5th wheel trailer in tow.



Trailer tongue boxes

Perfect for equipment and trailer accessories, these boxes mount onto the trailer tongue on both straight-tongue and A-frame trailers.

UTV & ATV TOOL BOXES

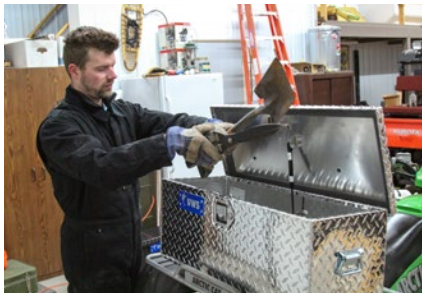
FEATURED PRODUCTS

UTV crossover boxes

These crossover-style tool boxes add secure storage to a UTV and install with vehicle-specific brackets on popular models.

UTV side mount boxes

This side tool box mounts onto the bed wall of the UTV using vehicle-specific brackets, maximizing storage, security and organization.



ATV boxes

With a universal design, ATV boxes can be mounted on virtually any ATV cargo rack, and they feature side handles for easy portability.

SIDE MOUNT BOXES

FEATURED PRODUCTS

Adjustable legs

Optional pivoting, telescoping legs attach virtually anywhere on the truck bed wall and save bed space while looking tidy.

Low-profile side boxes

These truck side boxes have a low profile for better field of vision and enhanced safety, integrating with our low-profile crossover boxes.

Topside boxes

Ideal for maximizing storage space while retaining use of the truck bed, these boxes are available in single-door and double-door models.

PRODUCT INDEX

Scan QR code for instructions on measuring a truck bed for a tool box or transfer tank

TRANSFER TANKS

FEATURED PRODUCTS

Rectangular tanks

Rectangular tanks are available in various sizes, including 24" square models, to accommodate many different truck beds.

Hammerhead-style tanks

With a unique, narrowed base, these transfer tanks are designed to be a universal fit for all full-size trucks. Available in L-shape and combo.

Steel-aluminum combo

These combo tanks are an industry first, featuring a dual construction of steel and aluminum to weigh less than competitive, full-steel models.

PRODUCT INDEX

78 Transfer Tank Overview

80 Hammerhead-Style Tanks

82 Combo Tanks

84 L-Shaped Tanks

86 Rectangular Tanks

Tanks are DOT-compliant for transporting Class 3 combustible fuels only, such as diesel.

TRANSFER TANK OVERVIEW

ASSEMBLED IN USA

Product Details

- Transfers diesel or other non-flammable liquids to on-site vehicles or equipment
- Lockable, commercial-grade vented cap with reinforced collar for added security (replacement cap #UWS-CAPS)
- Internal baffles for added extra strength and an even flow of liquid
- Built-in 3/8" drain plug for easy and complete emptying as needed
- 100% pressure-tested for safety
- Integrated tabs for solid installation
- Unique, smooth finish on steel tanks and rugged diamond plate on aluminum
- Two built-in lifting hooks for easier relocation in and out of the truck (steel tanks only)
- Multiple tank capacities and styles available for a custom fit on each truck application
- Mounting hardware not included

ST-100HH-CB-MB

TT-50-L-T-P

Style Options

Hammerhead

Narrow base fits all full-size trucks, including short bed

Combo

Built-in tool box adds storage without reducing truck bed space

L-shaped

L-shaped tank allows space for a crossover truck tool box

Rectangular

Mounts behind the truck cab, leaving the bed open for cargo

Finishes & Materials

Steel tanks (tool box applies to combo tanks only)

Finish: Matte black
Tank material: 14-gauge steel
Tool box material: 0.080" aluminum

Finish: Semi-gloss white
Tank material: 14-gauge steel
Tool box material: 0.080" aluminum

Aluminum tanks

Finish: Bright aluminum
Material: 0.125" aluminum

Finish: Gloss black
Material: 0.125" aluminum

KEY FEATURES OF COMBO TANKS

Built-in tool box adds storage without reducing truck bed space

Patented RigidCore™ foam-filled lid adds strength and prevents binding

Stainless steel lock handles allow operation from either side

Strut-actuated lid opens 90 degrees for convenient operation

Thru-bolted tool box with neoprene washers for water resistance

Interior rod enclosure helps prevent bending or jamming of lock system

Tanks are DOT-compliant for transporting Class 3 combustible fuels only, such as diesel.

HAMMERHEAD-STYLE TANKS

ASSEMBLED IN USA

Key Features

- Fits all full-size trucks, including short bed, with narrow base to fit between wheel wells
- Industry-first steel-aluminum combo tanks weigh less than full-steel tanks
- See page 78 for a full list of product details

DOG BOXES

FEATURED PRODUCTS

Northern dog box

This double-door dog box features enclosed walls to help protect from wind and cold temps. It is also equipped with a top storage chest.

Southern dog boxes

These dog boxes have open rungs for ventilation and are available with single or double doors. Both have a top tie-down rail.

Accessory box

This 34" wide box fits perfectly into the top of our dog boxes, providing secure storage of collars, training dummies and other accessories.

DAMAGE FREE DELIVERY GUARANTEED

HEAVY-DUTY PACKAGING
ENSURES YOUR PRODUCT IS PROTECTED

With our heavy duty packaging initiative, we take the extra steps needed to promise a damage-free product. Our process is specially designed to withstand the rigors of parcel shipping, ensuring your order arrives in the same condition as it was when it left our facility. Check out the table to view our available heavy duty packaging options.

ADVANTAGES OF HEAVY-DUTY PACKAGING

Large sized products are placed in a thick, secondary box that provides double the protection.

An expanding foam is used to fill the box and cradle the product, preventing movement and damage.

The corners of the box are protected with foam bumpers to further protect from impacts during movement.

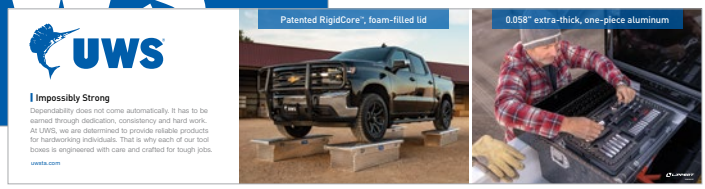
POINT-OF-PURCHASE

Catalog

Banner

Window sticker



Display signage

Literature & Catalog

- Accordion-fold literature (8-1/2' x 3-1/2') focuses on educating the consumer about the advantages of UWS tool boxes
- The catalog provides a complete listing of UWS products and vehicle applications
- Clear plastic stands available for displaying literature

Banner & Retail Signage

- Bold graphics and clear messaging to draw attention to your store
- Banner for use in-store and outdoors to help identify and promote your UWS tool box offering

Display & Signage

- Floor stand display can mount various tool boxes
- Promotional placards for use on display stands or as in-store signage to help promote key UWS tool box features. Set includes:
  - Header card
  - Tool tray insert
  - Built-in features insert
  - Product features header
- Contact your UWS sales representative to determine the products best tailored to your needs

Display stand with included header card (tool boxes sold separately)

Contact your sales representative for a complete list of available items and how to qualify.

LIMITED LIFETIME WARRANTY

UWS provides limited lifetime warranty coverage against defects in factory workmanship and materials for UWS products ("Products") sold by factory authorized dealers for use by retail (end use) consumers. This Limited Warranty is provided only to the original Product consumer, and applies only to the original installation. This Limited Warranty is not transferrable and does not extend or apply to anyone else. For consumers in the U.S.: this Limited Warranty gives you specific legal rights; you also may have other rights, which vary from state to state.

This Limited Warranty is the sole and exclusive warranty provided by UWS, and all other warranties and conditions are excluded and disclaimed. **UNDER THE LAW OF CERTAIN STATES, THERE MAY BE NO IMPLIED CONDITIONS OR WARRANTIES FROM UWS APPLICABLE TO YOUR PRODUCT, AND ALL IMPLIED CONDITIONS OR WARRANTIES (INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY LAW.** If implied warranties are imposed under any applicable state law, all such implied warranties are limited to the duration of the applicable provisions of this Limited Warranty. For consumers in the U.S.: some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

COVERED PRODUCTS AND LIMITATIONS

UWS provides the following Limited Warranty coverage:

Product	Workmanship & Materials	Components & Parts	Finishings & Coatings
All storage boxes	Limited lifetime	1-year	1-year
Other accessories	Lifetime	1-year	1-year

Each of the warranty coverage periods runs from the date of purchase of the Product (proof of purchase is required) and applies only to warranted defects that first occur and are reported to UWS within the applicable warranty period. UWS retains the right to determine to its reasonable satisfaction whether any claimed defect is covered by this Limited Warranty.

Certain items are excluded from Limited Warranty coverage by UWS, and this **Limited Warranty coverage does not apply to:**

- Wear and tear from normal use, including damage from road debris
- Improper product selection, application, installation or maintenance
- Modifications, including the attachment of other hardware or components
- Misuse, abuse, overloading, improper trailering or hauling, accident
- Corrosion or damage due to environmental conditions

REMEDIES UNDER THIS LIMITED WARRANTY

If a defect covered by this warranty occurs, UWS will repair or replace the Product, or refund the purchase price, in its sole discretion. This "repair, replacement or refund" remedy is the **sole and exclusive remedy** under this Limited Warranty. UWS has **no responsibility or liability for any incidental or consequential damages**, such as loss of use of vehicles or trailers, towing charges, storage charges, labor and service charges for removing or reinstalling products, loss of or damage to personal property, or interest or finance charges, all of which are specifically **excluded and disclaimed** from this Limited Warranty. For consumers in the U.S.: some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

RESPONSIBILITY OF PURCHASER

The Purchaser must have proof of purchase to obtain service under this Limited Warranty. Contact UWS for a Returned Goods Authorization (RGA) and return instructions; UWS will not accept Products unless an RGA has been issued. The Purchaser must deliver the Product to UWS or an authorized UWS dealer along with the RGA number and proof of purchase.

The UWS Limited Warranty policy in effect on the date you purchased your Product determines the applicable warranty coverage, and subsequent or prior UWS warranties are not applicable to your Product. The terms of this Limited Warranty cannot be changed or modified, except by a written agreement signed by an officer of UWS. UWS reserves the right to improve its products through changes in design or materials without being obligated to the owners of the Products of the same or similar models.
